

CLEANERS & DEGREASERS

GREASE RELEASE

Concentrated general purpose cleaner & degreaser that quickly penetrates and dissolves grease, oils and dirt. Contains no hazardous ingredients. Biodegradable. Great for all your cleaning applications.

ENFORCE

This oven and grill cleaner is formulated to loosen tough, burned-on grease from oven, stove tops and deep fryers. A highly alkaline product that is designed to quickly emulsify those tough soils.

GREASE RELEASE EXTREME

Heavy duty cleaner/degreaser that is concentrated and biodegradable. This specially formulated product does not contain hazardous ingredients and is non-toxic. Designed for use on floors, walls and as a general purpose cleaner.

ORANGE-X

This ready-to-use cleaner powers through grease and grime on all water fast surfaces. It is easy and safe to use and has a pleasant citrus scent.

DISINFECTANTS, DEODORIZERS & SANITIZERS

PINE SCRUB

A cleaner and deodorant formulated with pine oil. Use as general cleaner or for use on heavily soiled areas. Leaves a pleasant scent and is safe for use on all surfaces not affected by water. Great for use on floors, walls, restroom fixtures and trash containers.

NDC-64

A neutral disinfectant product that cleans & deodorizers in one labor saving step. Perfect restroom cleaner for use on walls, floors, shower stalls, stainless steel, sinks and bathtubs. Also, will inhibit the growth of mold and mildew. Lemon scent.

HEXZENE

A concentrated disinfectant, sanitizer and deodorizer that is formulated for use on hard surfaces such as floors, walls, metal surfaces, stainless steel, plastic surfaces. Also effective against mold and mildew. EPA registered.

SANI-KLEEN

This EPA registered product is a ready-to-use food contact surface sanitizer. Kills 99.999% of bacteria in 60 seconds and requires no mixing prior to use. SANI-KLEEN sanitizes previously cleaned and rinsed, non-porous food contact surfaces. Eliminates odors caused by bacteria.

KITCHEN CLEANERS

MOP & GO

This no-rinse enzyme floor cleaner effectively deep cleans by removing grease and grime soils found in pores and cracks of floor surfaces. Eliminates the need for rinsing after mopping.

CLEAN & SPARKLE

A ready-to-use window & glass cleaner that leaves no film and is streak-free. A specialty blend of surfactants that break down dirt, oils and grease and leave a streak-free surface. Does not contain ammonia.

LIQUID ENZYME

Enzyme digester that works naturally to break down grease and waste in pipes and grease traps. Safe and will not harm pipes or joints. Neutralizes the odors by destroying odor source.

BORIZYME

Borizyme is a bacteria formulation that consumes organic material in drains where greases, fats, carbohydrates, proteins and oils amass. This product will help to eliminate the settling of food particles and grease deposits eliminating breeding for fruit flies.

WAREWASH PRODUCTS

DISH MACHINE DETERGENT

Heavy duty non-chlorinated liquid dish machine detergent that has been formulated for use in low temperature machines. Removes tough greasy soils from dishes. Excellent cleaning over a wide range of operating conditions. Not metal-safe.
